

From Wuji Qi Gong & The Secret Of Immortality

Samkhyan Model of Manifestation And Its Reverse - The Yogic Process, Circa 3500 B.C.E.

The Samkhyan model of manifestation describes the process by which matter and consciousness precipitate from the Absolute, the heavier from the lighter, the gross from the subtle.

The yogic model describes the process of demanifestation by which matter and consciousness return to the Absolute, the heavier being resorbed into the lighter, the gross into the subtle.
